ARTIST STAT SHEET

Darius wrote and has full ownership rights to all his music. He is not under any obligation or contract to a label, manager, producer or agent.

No percentage of his music is owed to any producer, co-writer, or investor. 25% of his album profits are pledged to PATH: A Catalyst For Global Health.

Darius delivers an attractive, and elegant image. His artistry, and appearance are sophisticated and appealing.

Darius' music does not include profanity, derogatory comments about women or references to violence.

Donating a percentage of profits from the sale of the album to PATH reflects a desire to participate in the making of a better world and makes him unique among his peers.

Darius has a Bachelor of Music Degree in Jazz Piano from Cornish College of the Arts. He is also a piano, jazz band and jazz history instructor at both the college and high school institutions.

Darius owns his logo, tag line and basic branding making adjustments and future branding seamless.

Darius has touring, stage set up and sound layouts in place and readily available.

With full ownership of music, all basic promotion, and branding items in place, as well as no contractual obligations, Darius makes an easy transit to a label or large scale agency.

Having instrumental and acapella sets of tracks allow Darius to perform television without remixes. As well as make him international licensing, television, movie and radio ready.
